Re: Tisha Wilson v. City of New York et al. 07CV9309 (LAP)

You Honor-

As requested at our initial conference, I write to update the Court on the status of the above case. I have discussed the content of this letter with opposing counsel.

Initial disclosures and document demands have been exchanged. A first round of documents and CCRB tapes has recently been produced. Medical records have been obtained for the treatment plaintiff received as a result of this incident.

The parties expect to engage in settlement discussions once the recent discovery documents are reviewed. We are hopeful we can reach a settlement prior to depositions. If our settlement discussions fail, we will reach out to the Court for assistance.

Please let me know if there is any additional information I can provide.

Sincerely Yours,

Nicole Bellina
